

# PLANES, TRAINS AND AUTOMOBILES!

**HOW TO PLAY (For two or more players):** Take turns drawing a straight line between two dots, trying with each turn to complete a square. When you make a square, write your initials in it and take another turn. Add 1 point for an empty square and 2 points for a square that contains either a plane, train or automobile. When all the dots have been connected, the player with the most points wins.

The grid contains the following vehicles and their scores:

- Top-left: Propeller plane (+2)
- Top-right: Car (+2)
- Middle: Steam train (+2)
- Middle-left: Car (+2)
- Middle-right: Steam train (+2)
- Bottom-middle: Car (+2)
- Bottom-left: Steam train (+2)
- Bottom-middle: Steam train (+2)
- Bottom-right: Propeller plane (+2)
